## 2011 Starts with Rain...and more rain!

We hope everyone is well rested after the 2010 festive holidays. Unbelievably true, but January 2011 has come and gone. We are looking forward to a prosperous business year with many new opportunities.

*Hope you and your company  
have a prosperous*

### New receptionist

Welcome to Theresa Wentzel, our new receptionist.

We trust she will be happy with us.

### Charles and Deon off to Ghana

Charles is currently in Ghana to see to our Ghana office and to update MT Estimation for Goldfields. Deon is following next week to market and demo our current Software products.

Minesoft is currently exploring the webinar service as part of our support to our clients. You can log in live for free training sessions at scheduled times. This is a great training tool for our Software products

### Mining Indaba

In February Deon will represent Minesoft at the Indaba Mining Exhibition, where we hope to broaden our Software spectrum for new Business opportunities.
